I understand this is not a contract or offer to purchase. It is a description of the optional products that are available to purchase and the estimated monthly payment for each choice. I understand I must qualify to obtain financing and the payment may vary based on my credit. The base payment on 72 months is \$286.61 on an interest rate of 4.15. The finance charges, amount financed, total of payments, and total of payments including the down payment will be disclosed on my actual finance contract. The dealer makes no warranties, whether expressed or implied.
